

Chapter 038 RPEA October 2025 Newsletter

We had good food and good service at our September meeting, but the piped in music was overpowering. The guest speaker provided valuable information about the unhomed in San Luis Obispo County. She also covered the innovative measures being used to assist children who reach 18 years of age and lose housing and financial support. Two of our members led a discussion of the upcoming CalPERS election and added some insights into the funding techniques used by CalPERS.

It's time to make reservations for the Madonna Inn luncheon in December. In the Round Room this year, there will be a buffet. Those who choose a vegetarian option will have two plated choices (lasagna or ravioli in Marinara Sauce or Alfredo Sauce). Be prepared to sing and enjoy each others' company.

Members are free. Guests are welcome at \$20.

Here is the timetable:

November 3 - first day to make reservations
November 26 - last day to make reservations
December 10 - luncheon doors open at 11:30
